Please take a moment to read and complete this dismissal release form to familiarize yourself with our procedures. The first few days of each camp session we try to learn who will be dropping off and/or picking up campers. You can help us by introducing yourself to your camper's counselor and letting the counselor know that you will regularly drop off and/or pick up. At the conclusion of the "end of the day announcements" (3:30 p.m.), groups are dismissed one at a time so that the staff can visually confirm the adult that is picking up each camper. SWING & SWIM® half day campers are dismissed at 12:15pm.

In the event that you are, however, unable to pick up your camper, we would like to feel comfortable releasing your camper to the individual of your choice. We appreciate it when a parent/guardian can write a note informing us that we should release the camper to someone different. There are unexpected situations when writing a note is not possible. Therefore, please complete this form to ensure that we release your camper(s) to the appropriate adults. List any individual that could be picking up your camper from Summer's Edge Day Camp/Tennis School and inform these individuals that a picture I.D. is especially helpful the first time they pick up your camper.

Thank you for taking the time to complete this form which will help Summer's Edge Day Camp/Tennis School maintain an efficient dismissal.
